COUNCIL OF EUROPE / CONSEIL DE L'EUROPE

COUNCIL OF EUROPE
CONSEIL DE L'EUROPE

*Creation of a technical and industrial design
center in the Engineering Arsenal building*

2020

*Restoration of Bastion's 7 Powder Magazine
and improvement of adjacent infrastructure:
Creation of Peter Martinson's house*

2020

An aerial photograph showing a wide, green grassy embankment on the right bank of the Daugava River. A paved road runs along the top of the embankment, with a red-paved sidewalk on its right side. The river is visible on the left, bordered by dense green vegetation. In the background, a stone wall and a residential area with buildings are visible.

*Improvement of the embankment on the
right bank of the Daugava River along the
Daugavpils Fortress*

*Restoration of the rampart of the Bastion 7
in its historical shape, restoration of the
escarpment wall*

2021

*Restoration and adaptation of the
Bastion's 7 casemates to the open funds of
the Mark Rothko Art Center*
